Committee Membership

The Audit Committee should consist of no fewer than three members, as determined annually by the Board on the recommendation of the Nominating and Governance Committee; provided, however, that the Audit Committee may operate with fewer than three members as long as such composition complies with applicable laws, rules, regulations, and securities exchange listing standards. The Audit Committee shall pre-approve, or establish and maintain an appropriate policy governing the pre-approval of, all audit services and non-audit services (including the fees and terms thereof) to be performed for the Company by the Outside Auditor to the extent required by and in a manner consistent with applicable law and as permissible and compatible with the Outside Auditor's independence.

The Audit Committee shall meet as often as it determines necessary or appropriate, but not less frequently than quarterly. The Chairperson shall preside at each meeting and, in the absence of the Chairperson, one of the other members of the Audit Committee shall be designated as the acting chair of the meeting. The Chairperson (or acting chair) may direct appropriate members of management and staff to prepare draft agendas and related background information for each Audit Committee meeting.
