(the “Company”) was informed that Daniel Danker, Executive Vice President, AI Acceleration, Product and Design, entered into a stock trading plan designed to comply with Rule 10b5-1 under the Securities Exchange Act of 1934, as amended (the “Plan”). Rule 10b5-1 trading plans permit individuals who are not in possession of material non-public information to adopt a written pre-arranged plan for transactions in securities under specified conditions and for specified periods of time.
