UNDERWRITING AGREEMENT

July 26, 2001

The Underwriters Listed on Schedule I  
to the Pricing Agreement (as defined herein)

Dear Sirs:

From time to time WAL-MART STORES, INC., a Delaware corporation (the "Company"), proposes to enter into one or more Pricing Agreements (each a "Pricing Agreement") in the form of Annex I hereto, with such additions and deletions as the parties thereto may determine, and, subject to the terms and conditions stated herein and therein, to issue and sell to the firms named in Schedule I to the applicable Pricing Agreement (such firms constituting the "Underwriters" with respect to such Pricing Agreement and the securities specified therein) certain of its debt securities (the "Securities") specified in Schedule II to such Pricing Agreement (with respect to such Pricing Agreement, the "Designated Securities").

The terms and rights of any particular issuance of Designated Securities shall be as specified in the Pricing Agreement relating thereto and in or pursuant to the indenture (the "Indenture") identified in such Pricing Agreement.

1. Particular sales of Designated Securities may be made from time to time to the Underwriters of such Securities, for whom the firms designated as representatives of the Underwriters of such Securities in the Pricing Agreement relating thereto will act as representatives (the "Representatives"). The term "Representatives" also refers to a single firm acting as sole representative of the Underwriters and to Underwriters who act without any firm being designated as their representative. This Underwriting Agreement shall not be construed as an obligation of the Company to sell any of the Securities or as an obligation of the Underwriter to purchase the Securities. The obligation of the Company to issue and sell any of the Securities shall be evidenced by the Pricing Agreement with respect to the Designated Securities specified therein. Each Pricing Agreement shall specify (a) in Schedule I thereto (i) the names of the Underwriters of such Designated Securities and (ii) the principal amount of Designated Securities to be purchased by each Underwriter on the Time of Delivery (as defined herein) and (b) in Schedule II thereto (i) the title or titles of the Designated Securities, (ii) the aggregate principal amount or amounts of the Designated Securities, (iii) the initial public offering price of the Designated Securities, (iv) the purchase price or prices to the Underwriters of the Designated

1

Securities, and, to the extent applicable, the selling concession or concessions and reallowance concession or concessions applicable to the Underwriters and dealers, as the case may be, (v) specified funds, if any, for payment of the purchase price for the Designated Securities, (vi) the title of the Indenture under which the Designated Securities are being issued, (vii) the maturity or maturities of the Designated Securities, (viii) the interest rate or rates of the Designated Securities, (ix) the interest payment dates of the Designated Securities, (x) the record date or dates of the Designated Securities, (xi) the redemption provisions, if any, of the Designated Securities, (xii) the sinking fund provisions, if any, of the Designated Securities, (xiii) the Time of Delivery, (xiv) the closing location with respect to the closing of the sale of the Designated Securities pursuant to this Agreement and the Pricing Agreement, (xv) the name or names and address or addresses of the Representatives of the Underwriters and (xvii) such other terms, conditions or other provisions that supplement, amend or modify this Agreement or the Indenture with respect to the Designated Securities. A Pricing Agreement shall be in the form of an executed writing (which may be in counterparts), and may be evidenced by an exchange of telegraphic communications or any other rapid transmission device designed to produce a written record of communications transmitted. The obligations of the Underwriters under this Agreement and each Pricing Agreement shall be several and not joint.

2. The Company represents and warrants to, and agrees with, each of the Underwriters that:

(a) A registration statement in respect of the Securities

(File No. 333-64740) has been filed with the Securities and Exchange Commission (the "Commission"); such registration statement and any post-effective amendments thereto, each in the form heretofore delivered or to be delivered to the Representatives and, excluding exhibits to such registration statement but including all documents incorporated by reference in each prospectus contained therein, delivered to the Representatives for each of the other Underwriters has been declared effective by the Commission in such form; no other document with respect to such registration statement or document incorporated by reference therein has heretofore been filed or transmitted for filing with the Commission; and no stop order suspending the effectiveness of such registration statement has been issued and no proceeding for that purpose has been initiated or threatened by the Commission (any preliminary prospectus included in such registration statement or filed with the Commission pursuant to Rule 424(a) of the rules and regulations of the Commission under the Securities Act of 1933, as amended (the "Act"), being hereinafter called a "Preliminary Prospectus"); the various parts of such registration statement, including all exhibits thereto and the documents incorporated by reference in the prospectus contained in the registration statement at the time such part of the registration statement became effective but excluding Form T-1, each as amended at the time such part of the registration statement became effective, being hereinafter called the "Registration Statement"; each prospectus relating to the Securities, in the form in which it has most recently been filed, or transmitted for filing, with the Commission on or prior to the date of this Agreement, being hereinafter called the "Prospectus"; any reference herein to any Preliminary Prospectus or the Prospectus shall be deemed to refer to and include the documents incorporated by reference therein pursuant to the applicable form under the Act, as of the date of such Preliminary Prospectus or Prospectus, as the case

2

may be; any reference to any amendment or supplement to any Preliminary Prospectus or the Prospectus shall be deemed to refer to and include any documents filed after the date of such Preliminary Prospectus or the Prospectus, as the case may be, under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and incorporated by reference in such Preliminary Prospectus or Prospectus, as the case may be; any reference to any amendment to the Registration Statement shall be deemed to refer to and include any annual report of the Company filed pursuant to Section 13(a) or 15(d) of the Exchange Act after the applicable effective date of the Registration Statement that is incorporated by reference in the Registration Statement; and any reference to the Prospectus as amended or supplemented shall be deemed to refer to the Prospectus as amended or supplemented in relation to the applicable Designated Securities in the form in which it is filed with the Commission pursuant to Rule 424(b) under the Act in accordance with Section 6(a) hereof, including any documents incorporated by reference therein as of the date of such filing;

(b) The documents incorporated by reference in the Prospectus, when they became effective or were filed with the Commission, as the case may be, conformed in all material respects to the requirements of the Act or the Exchange Act, as applicable, and the rules and regulations of the Commission thereunder, and none of such documents contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading; and any further documents so filed and incorporated by reference in the Prospectus or any further amendment or supplement thereto, when such documents become effective or are filed with the Commission, as the case may be, will conform in all material respects to the requirements of the Act or the Exchange Act, as applicable, and the rules and regulations of the Commission thereunder and will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading; provided, however, that this representation and warranty shall not apply to any statements or omissions made in reliance upon and in conformity with information furnished in writing to the Company by an Underwriter of Designated Securities through the Representatives expressly for use in the Prospectus as amended or supplemented relating to such Securities;

3

(c) The Registration Statement and the Prospectus conform, and any further amendments or supplements to the Registration Statement or the Prospectus will conform, in all material respects to the

requirements of the Act and the Trust Indenture Act of 1939, as amended (the "Trust Indenture Act") and the rules and regulations of the Commission thereunder and do not and will not, as of the applicable effective dates as to the Registration Statement and any amendments thereto and as of the applicable filing date as to the Prospectus and any amendment or supplement thereto, contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading; provided, however, that this representation and warranty shall not apply to any statements or omissions made in reliance upon and in conformity with information furnished in writing to the Company by an Underwriter of Designated Securities through the Representatives expressly for use in the Prospectus as amended or supplemented relating to such Securities;

(d) Neither the Company nor any of its subsidiaries has sustained since the date of the latest audited financial statements included or incorporated by reference in the Prospectus any material loss or interference with its business from fire, explosion, flood or other calamity, whether or not covered by insurance, or from any labor dispute or court or governmental action, order or decree, otherwise than as set forth or contemplated in the Prospectus; and, since the respective dates as of which information is given in the Registration Statement and the Prospectus, there has not been any material change in the capital stock or long-term debt of the Company or any of its subsidiaries or any material adverse change, or any development involving a prospective material adverse change, in or affecting the general affairs, management, financial position, stockholders' equity or results of operations of the Company and its subsidiaries, otherwise than as set forth or contemplated in the Prospectus;

(e) The Company and its subsidiaries have good and marketable title in fee simple to all real property and good and marketable title to all personal property owned by them, in each case free and clear of all liens, encumbrances and defects except such as are described in the Prospectus or such as do not individually or in the aggregate materially affect the consolidated financial position, stockholders' equity or results of operation of the Company and its subsidiaries and do not interfere with the use made and proposed to be made of such property by the Company and its subsidiaries; and any real property and buildings held under lease by the Company and its subsidiaries are held by them under valid, subsisting and enforceable leases with such exceptions as are not material and do not interfere with the use made and proposed to be made of such property and buildings by the Company and its subsidiaries;

(f) The Company and its subsidiaries own or possess, or can acquire on reasonable terms, adequate trademarks, service marks and trade names necessary to conduct the business now operated by them, and neither the Company nor any of its subsidiaries has received any notice of infringement of or conflict with asserted rights of others with respect to any trademarks, service marks or trade names that, singly or in the aggregate, if the subject of an unfavorable decision, ruling or finding, would materially

4

adversely affect the conduct of the business, operations, financial condition or income of the Company and its subsidiaries considered as one enterprise;

(g) The Company has been duly incorporated and is validly existing as a corporation in good standing under the laws of the jurisdiction of its incorporation, with power and authority (corporate and other) to own its properties and conduct its business as described in the Prospectus, and has been duly qualified as a foreign corporation for the transaction of business and is in good standing under the laws of each other jurisdiction in which it owns or leases properties, or conducts any business, so as to require such qualification, or is subject to no material liability or disability by reason of the failure to be so qualified in any such jurisdiction; and each subsidiary of the Company has been duly incorporated and is validly existing as a corporation in good standing under the laws of its jurisdiction of incorporation;

(h) The Company has an authorized capitalization as set forth in the Prospectus, and all of the issued shares of capital stock of the Company have been duly and validly authorized and issued and are fully paid and nonassessable and all of the issued shares of capital stock of each subsidiary of the Company have been duly and validly authorized and issued, are fully paid and nonassessable and (except for directors' qualifying shares and except as otherwise set forth in the Prospectus) are owned directly or indirectly by the Company, free and clear of all

liens, encumbrances, equities or claims;

(i) The Securities have been duly authorized, and, when the Designated Securities are issued and delivered pursuant to this Agreement and the Pricing Agreement with respect to such Designated Securities, such Designated Securities will have been duly executed, authenticated, issued and delivered and will constitute valid and legally binding obligations of the Company entitled to the benefits provided by the Indenture, which will be substantially in the form filed as an exhibit to each of the Registration Statements; the Indenture has been duly authorized and duly qualified under the Trust Indenture Act and, at the Time of Delivery for such Designated Securities (as defined in Section 5 hereof), the Indenture will constitute a valid and legally binding instrument, enforceable in accordance with its terms, subject, as to enforcement, to bankruptcy, insolvency, reorganization and other laws of general applicability relating to or affecting creditors' rights and to general equity principles; and the Indenture conforms, and the Designated Securities will conform, to the descriptions thereof contained in the Prospectus as amended or supplemented with respect to such Designated Securities;

(j) The issue and sale of the Securities and the compliance by the Company with all of the provisions of the Securities, the Indenture, this Agreement and any Pricing Agreement, and the consummation of the transactions herein and therein contemplated will not conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, any indenture, mortgage, deed of trust, loan agreement or other agreement or instrument to which the Company or any of its subsidiaries is a party or by which the Company or any of its subsidiaries is bound or to which any of the property or assets of the Company or any of its subsidiaries is subject, nor will such action result in any violation of the provisions of the Certificate of Incorporation or

5

Bylaws of the Company or any statute or any order, rule or regulation of any court or governmental agency or body having jurisdiction over the Company or any of its subsidiaries or any of their properties; and no consent, approval, authorization, order, registration or qualification of or with any such court or governmental agency or body is required for the issue and sale of the Securities or the consummation by the Company of the transactions contemplated by this Agreement or any Pricing Agreement or the Indenture, except such as have been, or will have been prior to the Time of Delivery, obtained under the Act and the Trust Indenture Act and such consents, approvals, authorizations, registrations or qualifications as may be required under state securities or Blue Sky laws in connection with the purchase and distribution of the Securities by the Underwriters;

(k) Other than as set forth in the Prospectus, there are no legal or governmental proceedings pending to which the Company or any of its subsidiaries is a party or of which any property of the Company or any of its subsidiaries is the subject that, if determined adversely to the Company or any of its subsidiaries, would individually or in the aggregate have a material adverse effect on the consolidated financial position, stockholders' equity or results of operations of the Company and its subsidiaries; and, to the best of the Company's knowledge, no such proceedings are threatened or contemplated by governmental authorities or threatened by others; and

(l) Ernst & Young LLP, who have certified certain financial statements of the Company and its subsidiaries, are, to the best knowledge of management of the Company, independent public accountants as required by the Act and the rules and regulations of the Commission thereunder.

3. 5. Designated Securities to be purchased by each Underwriter pursuant to the Pricing Agreement relating thereto, in definitive form to the extent practicable, and in such authorized denominations and registered in such name as the Representatives may request upon at least forty-eight hours' prior notice to the Company, shall be delivered by or on behalf of the Company to the representatives, against payment by such Underwriter or on its behalf of the purchase price therefor by certified or official bank check or checks, payable to the order of the Company in the funds specified in such Pricing Agreement, all at the place and time and date

6

specified in such Pricing Agreement or at such other place and time and date as the Representatives and the Company may agree upon in writing, such time and date being herein called the "Time of Delivery" for such Securities.

6. The Company agrees with each of the Underwriters of any Designated Securities:

(a) To prepare the Prospectus as amended and supplemented in relation to the applicable Designated Securities in a form approved by the Representatives and to file such Prospectus pursuant to Rule 424(b) under the Act not later than the Commission's close of business on the second business day following the execution and delivery of the Pricing Agreement relating to the applicable Designated Securities or, if applicable, such earlier time as may be required by Rule 424(b); to make no further amendment or any supplement to the Registration Statements or Prospectus as amended or supplemented after the date of the Pricing Agreement relating to such Securities and prior to the Time of Delivery for such Securities that shall be disapproved by the Representatives for such Securities promptly after reasonable notice thereof; to advise the Representatives promptly of any such amendment or supplement after such Time of Delivery and furnish the Representatives with copies thereof; to file promptly all reports and any definitive proxy or information statements required to be filed by the Company with the Commission pursuant to Sections 13(a), 13(c), 14 or 15(d) of the Exchange Act for so long as the delivery of a prospectus is required in connection with the offering or sale of such Securities, and during such same period to advise the Representatives, promptly after it receives notice thereof, of the time when any amendment to the Registration Statements has been filed or becomes effective or any supplement to the Prospectus or any amended Prospectus has been filed with the Commission, of the issuance by the Commission of any stop order or of any order preventing or suspending the use of any prospectus relating to the Securities, of the suspension of the qualification of such Securities for offering or sale in any jurisdiction, of the initiation or threatening of any proceeding for any such purpose, or of any request by the Commission for the amending or supplementing of the Registration Statements or Prospectus or for additional information; and, in the event of the issuance of any such stop order or of any such order preventing or suspending the use of any prospectus relating to the Securities or suspending any such qualification, to use promptly its best efforts to obtain its withdrawal;

(b) Promptly from time to time to take such action as the Representatives may reasonably request to qualify such Securities for offering and sale under the securities laws of such jurisdictions as the Representatives may request and to comply with such laws so as to permit the continuance of sales and dealings therein in such jurisdictions for as long as may be necessary to complete the distribution of such Securities, provided that in connection therewith the Company shall not be required to qualify as a foreign corporation or to file a general consent to service of process in any jurisdiction;

(c) To furnish the Underwriters with copies of the Prospectus as amended or supplemented in such quantities as the Representatives may from time to time reasonably request, and, if the delivery of a prospectus is required at any time in connection with the

7

offering or sale of the Securities and if at such time any event shall have occurred as a result of which the Prospectus as then amended or supplemented would include an untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made when such Prospectus is delivered, not misleading, or, if for any other reason it shall be necessary during such same period to amend or supplement the Prospectus or to file under the Exchange Act any document incorporated by reference in the Prospectus in order to comply with the Act, the Exchange Act or the Trust Indenture Act, to

notify the Representatives and upon their request to file such document and to prepare and furnish without charge to each Underwriter and to any dealer in securities as many copies as the Representatives may from time to time reasonably request of an amended Prospectus or a supplement to the Prospectus that will correct such statement or omission or effect such compliance;

(d) To make generally available to its security holders as soon as practicable, but in any event not later than eighteen months after the effective date of the Registration Statement (as defined in Rule 158(c)), an earnings statement of the Company and its subsidiaries (which need not be audited) complying with Section 11(a) of the Act and the rules and regulations of the Commission thereunder (including, at the option of the Company, Rule 158);

(f) To furnish to the holders of the Securities, upon such holders' request, as soon as practicable after the end of each fiscal year an annual report (including a balance sheet and statements of income, stockholders' equity and cash flow of the Company and its consolidated subsidiaries certified by independent public accountants) and, as soon as practicable after the end of each of the first three quarters of each fiscal year (beginning with the fiscal quarter ending after the effective date of the Registration Statements), consolidated summary financial information of the Company and its subsidiaries for such quarter in reasonable detail; and

(g) During a period of five years from the effective date of the Registration Statement, to furnish to you copies of all reports or other communications (financial or other) furnished to stockholders, and deliver to you (i) as soon as they are available, copies of any reports and financial statements furnished to or filed with the Commission or any national securities exchange on which the Securities or any class of securities of the Company is listed; and (ii) such additional information concerning the business and financial condition of the Company as you may from time to time reasonably request

8

(such financial information and statements to be on a consolidated basis in reports furnished to its stockholders generally or to the Commission); and

(h) To use the net proceeds received by it from the sale of the Designated Securities pursuant to this Agreement in the manner specified in the Prospectus, including in any supplement thereto, relating to the offer and sale of the Designated Securities.

7. Each of the Finance Subsidiaries jointly and severally agrees with each of the Underwriters of the Designated Securities to the effect set forth in Sections 6(a), 6(c), 6(e) and 6(g) to the fullest extent applicable to each such Finance Subsidiary (with references to the Company in such Sections being deemed to refer to the Finance Subsidiaries for purposes of this Section 7).

8. The Company covenants and agrees with the several Underwriters that the Company will pay or cause to be paid the following: (i) the fees, disbursements and expenses of the Company's counsel and accountants in connection with the registration of the Securities under the Act and all other expenses in connection with the preparation, printing and filing of the Registration Statements, any Preliminary Prospectus and the Prospectus and amendments thereto and the mailing and delivering of copies thereof to the Underwriters and dealers; (ii) the cost of printing or producing any Agreement among Underwriters, this Agreement, any Pricing Agreement, any Indenture, any Blue Sky and Legal Investment Memoranda and any other documents in connection with the offering, purchase, sale and delivery of the Securities; (iii) all expenses in connection with the qualification of the Securities for offering and sale under state securities laws as provided in Section 6(b) hereof, including the fees and disbursements of counsel for the Underwriters in connection with such qualification and in connection with the Blue Sky and legal investment surveys; (iv) any fees charged by securities rating services for rating the Securities; (v) the cost of preparing the Securities; (vi) the fees and expenses of any Trustee and any agent of any Trustee and the fees and disbursements of counsel for any Trustee in connection with any Indenture and

It is understood, however, that, except as provided in this Section 8, Section 10 and Section 12 hereof, the Underwriters will pay all of their own costs and expenses including the fees of their counsel, transfer taxes on resale of any of the Securities by them and any advertising expenses connected with any offers they may make.

9. The obligations of the Underwriters of any Designated Securities under the Pricing Agreement relating to such Designated Securities shall be subject, in the discretion of the Representatives, to the condition that all representations and warranties and other statements of the Company in or incorporated by reference in the Pricing Agreement relating to such Designated Securities are, at and as of the Time of Delivery for such Designated Securities, true and correct, the condition that the Company shall have performed all of its obligations hereunder theretofore to be performed, and the following additional conditions:

(a) The Prospectus as amended or supplemented in relation to the applicable Designated Securities shall have been filed with the Commission pursuant to Rule 424(b)

(v) To the best of such counsel's knowledge and other than as set forth in the Prospectus, there are no legal or governmental proceedings pending to which the Company or any of its subsidiaries is a party or of which any property of the Company or any of its subsidiaries is the subject that, if determined adversely to the Company or any of its subsidiaries, would individually or in the aggregate have a material adverse effect on the consolidated financial position, stockholders' equity or results of operations of the Company and its subsidiaries; and, to the best of such counsel's knowledge, no such proceedings are threatened or contemplated by governmental authorities or threatened by others;

(vi) This Agreement and the Pricing Agreement with respect to the Designated Securities have been duly authorized, executed and delivered by the Company;

11

(vii) The Designated Securities have been duly authorized, executed, authenticated, issued and delivered and constitute valid and legally binding obligations of the Company entitled to the benefits provided by the Indenture; and are enforceable against the Company entitled to the benefits provided by the Indenture and are enforceable against the Company in accordance with the terms of the Designated Securities; and the Designated Securities and the Indenture conform to the descriptions thereof in the Prospectus as amended or supplemented;

(viii) The Indenture has been duly authorized, executed and delivered by the Company and constitutes a valid and legally binding instrument, enforceable in accordance with its terms, subject, as to enforcement, to bankruptcy, insolvency, reorganization and other laws of general applicability relating to or affecting creditors' rights and to general equity principles; and the Indenture has been duly qualified under the Trust Indenture Act;

(ix) The issue and sale of the Designated Securities and the compliance by the Company with all of the provisions of the Designated Securities, the Indenture, this Agreement and the Pricing Agreement with respect to the Designated

Securities and the consummation of the transactions herein and therein contemplated will not conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, any indenture, mortgage, deed of trust, loan agreement or other agreement or instrument known to such counsel to which the Company is a party or by which the Company is bound or to which any of the property or assets of the Company is subject, nor will such actions result in any violation of the provisions of the Certificate of Incorporation or Bylaws of the Company or any statute or any order, rule or regulation known to such counsel of any court or governmental agency or body having jurisdiction over the Company or any of its subsidiaries or any of their properties;

(x) No consent, approval, authorization, order, registration or qualification of or with any such court or governmental agency or body is required for the issue and sale of the Designated Securities or the consummation by the Company of the transactions contemplated by this Agreement or such Pricing Agreement or the Indenture, except such as have been obtained under the Act and the Trust Indenture Act and such consents, approvals, authorizations, registrations or qualifications as may be required under state securities or Blue Sky laws in connection with the purchase and distribution of the Designated Securities by the Underwriters;

(xi) The documents incorporated by reference in the Prospectus as amended or supplemented (other than the financial statements and related schedules therein, as to which such counsel need express no opinion), when they became effective or were filed with the Commission, as the case may be, complied as to form in all material respects with the requirements of the Act or

12

the Exchange Act, as applicable, and the rules and regulations of the Commission thereunder; and they have no reason to believe that any of such documents, when they became effective or were so filed, as the case may be, contained, in the case of a registration statement that became effective under the Act, an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading, or, in the case of other documents that were filed under the Act or the Exchange Act with the Commission, an untrue statement of a material fact or omitted to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made when such documents were so filed, not misleading; and

(xii) The Registration Statements and the Prospectus as amended or supplemented and any further amendments and supplements thereto made by the Company prior to the Time of Delivery for the Designated Securities (other than the financial statements and related schedules therein, as to which such counsel need express no opinion) comply as to form in all material respects with the requirements of the Act and the Trust Indenture Act and the rules and regulations thereunder; they have no reason to believe that, as of their respective effective dates, the Registration Statements or any further amendment thereto made by the Company prior to the Time of Delivery (other than the financial statements and related schedules therein, as to which such counsel need express no opinions contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading or that, as of its date, the Prospectus as amended or supplemented or any further amendment or supplement thereto made by the Company prior to the Time of Delivery other than the financial statements and related schedules therein as to which such counsel need express no opinion) contained an untrue statement of a material fact or omitted to state a material fact necessary to make the statements therein in light of the circumstances in which they were made, not misleading or that, as of the Time of Delivery, either the Registration Statements or the Prospectus as amended or supplemented or any further amendment or supplement thereto made by the Company prior to the Time of Delivery (other than the financial statements and related schedules therein, as to which such counsel need express no opinion) contains an untrue statement of a material fact or omits to state a material fact necessary to make the statements therein, in light of the

circumstances in which they were made, not misleading; and they do not know of any amendment to the Registration Statements required to be filed or any contracts or other documents of a character required to be filed as an exhibit to the Registration Statements or required to be incorporated by reference into the Prospectus as amended or supplemented or required to be described in the Registration Statements or the Prospectus as amended or supplemented that are not filed or incorporated by reference or described as required;

(xiii) The statements made in any tax consequences or tax considerations sections in the Prospectus, including in any supplement thereto, insofar as they

13

purport to constitute summaries of matters of United States federal tax law and regulations or legal conclusions with respect thereto, constitute accurate summaries of the matters described therein in all material respects; and

(xiv) Each Registration Statement registering the offer and sale of the Designated Securities has become effective under the Act, and the Prospectus relating to the Designated Securities, including all amendments and supplements thereto, was filed within the prescribed time periods pursuant to Rule 424(b) of the rules and regulations under the Act and, to our knowledge, no stop order suspending the effectiveness of the Registration Statements has been issued or proceeding for the purpose has been instituted or threatened by the Commission;

Such counsel may rely, with respect to matters of New York law, on the written opinion of Fulbright & Jaworski LLP, provided that such opinion is in form and substance satisfactory to the Representatives and a copy thereof shall be delivered to the Representatives at the Time of Delivery for such Designated Securities.

(e) Walkers, Cayman Islands counsel for the Finance Subsidiaries, shall have furnished to the Representatives their written opinion, dated the Time of Delivery for such Designated Securities, in form and substance satisfactory to the Representatives, (i) substantially to the effect set forth in Sections 9(d)(i), 9(d)(vi), 9(d)(viii), 9(d)(ix) and 9(d)(x) to the fullest extent applicable to each such Finance Subsidiary (with references to the Company in such Sections being deemed to refer to the Finance Subsidiaries for purposes of this Section 9(e)) and (ii) with respect to such other matters as the Representatives may reasonably request;

(f) At the Time of Delivery for such Designated Securities, Ernst & Young LLP shall have furnished to the Representatives a "comfort" letter or letters dated such Time of Delivery as to such matters as the Representatives may reasonably request and in form and substance satisfactory to the Representatives;

(g) (i) Neither the Company nor any of its subsidiaries shall have sustained since the date of the latest audited financial statements included or incorporated by reference in the Prospectus as amended or supplemented any loss or interference with its business from fire, explosion, flood or other calamity whether or not covered by insurance, or from any labor dispute or court or governmental action, order or decree, otherwise than as set forth or contemplated in the Prospectus as amended or supplemented, and (ii) since the respective dates as of which information is given in the Prospectus as amended or supplemented there shall not have been any change in the capital stock or long-term debt of the Company or any of its subsidiaries or any change, or any development involving a prospective change, in or affecting the general affairs, management, financial position, stockholders' equity or results of operations of the Company and its subsidiaries, otherwise than as set forth or contemplated in the Prospectus as amended or supplemented, the effect of which, in any such case described in clause (i) or (ii), is in the judgment of the Representatives so material and adverse as to make it impracticable or inadvisable to proceed with the public offering or the delivery of the Designated Securities on the terms and in the manner contemplated in the Prospectus as amended or supplemented;

14

(h) On or after the date of the Pricing Agreement relating to the Designated Securities (i) no downgrading shall have occurred in the rating accorded the Company's debt securities (including, without limitation, any guaranteed debt securities) by any "nationally

recognized statistical rating organization," as that term is defined by the Commission for purposes of Rule 436(g)(2) under the Act and (ii) no such organization shall have publicly announced that it has under surveillance or review, with possible negative implications, its rating of any of the Company's debt securities;

(i) On or after the date of the Pricing Agreement relating to the Designated Securities there shall not have occurred any of the following: (i) a suspension or material limitation in trading in securities generally on the New York Stock Exchange; (ii) a general moratorium on commercial banking activities in New York declared by either Federal or New York State authorities; or (iii) the outbreak or escalation of hostilities involving the United States or the declaration by the United States of a national emergency or war if the effect of any such event specified in this clause (iii) in the judgment of the Representatives makes it impracticable or inadvisable to proceed with the public offering or the delivery of the Designated Securities on the terms and in the manner contemplated in the prospectus as amended or supplemented; and

(j) The Company shall have furnished or caused to be furnished to the Representatives at the Time of Delivery for the Designated Securities a certificate or certificates of officers of the Company satisfactory to the Representatives as to the accuracy of the representations and warranties of the Company herein at and as of such Time of Delivery, as to the performance by the Company of all of its obligations hereunder to be performed at, or prior to, such Time of Delivery, as to the matters set forth in Sections 9(a) and 9(g) and as to such other matters as the Representatives may reasonably request.

10. (a) The Company will indemnify and hold harmless each Underwriter against any losses, claims, damages or liabilities, joint or several, to which such Underwriter may become subject, under the Act or otherwise, insofar as such losses, claims, damages or liabilities for actions in respect thereof, arise out of or are based upon an untrue statement or alleged untrue statement, of a material fact contained in any Preliminary Prospectus, any preliminary prospectus supplement, the Registration Statements, the Prospectus as amended or supplemented and any other prospectus relating to the Securities or included in the Registration Statement, or any amendment or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and will reimburse each Underwriter for any legal or other expenses reasonably incurred by such Underwriter in connection with investigating or defending any such action or claim as such expenses are incurred; provided, however, that the Company shall not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in any Preliminary Prospectus, any preliminary prospectus supplement, the Registration Statements, the Prospectus as amended or supplemented and any other prospectus relating to the Securities or included in the Registration Statement, or any such

15

amendment or supplement in reliance upon and in conformity with written information furnished to the Company by any Underwriter of Designated Securities expressly for use in the Prospectus as amended or supplemented relating to such Securities.

(b) Each Underwriter will indemnify and hold harmless the Company against any losses, claims, damages or liabilities to which the Company may become subject, under the Act or otherwise insofar as such losses, claims, damages or liabilities (or actions in respect thereof, arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in any Preliminary Prospectus, any preliminary prospectus supplement, the Registration Statements, the Prospectus as amended or supplemented and any other prospectus relating to the Securities or included in the Registration Statement, or any amendment or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the Statements therein not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in any Preliminary Prospectus, any preliminary prospectus supplement, the Registration Statements, the Prospectus as amended or supplemented and any other prospectus relating to the Securities or included in the Registration Statement, or any such amendment or supplement in reliance upon and in conformity with written information furnished to the Company by such Underwriter through the Representatives expressly for use therein; and will reimburse the Company for any legal or other expenses reasonably incurred by the Company in connection with investigating or defending any such action or claim as such expenses are incurred.

(c) Promptly after receipt by an indemnified party under Section 10(a) or 10(b) of notice of the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against the indemnifying party under such subsection, notify the indemnifying party in writing of the commencement thereof; but the omission so to notify the indemnifying party shall not relieve it from any liability that it may have to any indemnified party otherwise than under such subsection. In case any such action shall be brought against any indemnified party and it shall notify the indemnifying party of the commencement thereof, the indemnifying party shall be entitled to participate therein and, to the extent that it shall wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and, after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party shall not be liable to such indemnified party under such subsection for any legal expenses of other counsel or any other expenses, in each case subsequently incurred by such indemnified party, in connection with the defense thereof other than reasonable costs of investigation.

(d) If the indemnification provided for in this Section 10 is unavailable to or insufficient to hold harmless an indemnified party under Section 10(a) or 10(b) in respect of any losses, claims, damages or liabilities (or actions in respect thereof) referred to therein, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities for actions in respect thereof) in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and the Underwriters of the Designated Securities on the other from the offering of the

16

Designated Securities to which such loss, claim, damage or liability (or action in respect thereof) relates. If, however, the allocation provided by the immediately preceding sentence is not permitted by applicable law or if the indemnified party failed to give the notice required under Section 10(c), then each indemnifying party shall contribute to such amount paid or payable by such indemnified party in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Company on the one hand and the Underwriters of the Designated Securities on the other in connection with the statement or omissions that resulted in such losses claims, damages or liabilities (or actions in respect thereof), as well as any other relevant equitable considerations. The relative benefits received by the Company on the one hand and such Underwriters on the other shall be deemed to be in the same proportion as the total net proceeds from such offering (before deducting expenses) received by the Company bear to the total underwriting discounts and commissions received by such Underwriters. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company on the one hand or such Underwriters on the other and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The Company and the Finance Subsidiaries and the Underwriters agree that it would not be just and equitable if contribution pursuant to this Section 10(d) were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation that does not take account of the equitable considerations referred to above in this Section 10(d). The amount paid or payable by an indemnified party as a result of the losses, claims, damages or liabilities (or actions in respect thereof) referred to above in this Section 10(d) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this Section 10(d), no Underwriter shall be required to contribute any amount in excess of the amount by which the total price at which the applicable Designated Securities underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages that such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The obligations of the Underwriters of Designated Securities in this Section 10(d) to contribute are several in proportion to their respective underwriting obligations with respect to such securities and are not joint.

(e) The obligations of the Company under this Section 10 shall be in addition to any liability that the Company may otherwise have and shall extend, upon the same terms and conditions, to each person, if any, who controls any Underwriter within the meaning of the Act; and the obligations

of the Underwriters under this Section 10 shall be in addition to any liability that the respective Underwriters may otherwise have and shall extend, upon the same terms and conditions, to each director and officer of the Company and to each person, if any, who controls the Company within the meaning of the Act.

11. (a) If any Underwriter shall default in its obligation to purchase the Designated Securities that it has agreed to purchase under the Pricing Agreement relating to such Designated Securities, the Representatives may in their discretion arrange for themselves or another party or

17

other parties to purchase such Designated Securities on the terms contained herein. If within thirty-six hours after such default by any Underwriter the Representatives do not arrange for the purchase of such Designated Securities, then the Company shall be entitled to a further period of thirty-six hours within which to procure another party or other parties satisfactory to the Representatives to purchase such Designated Securities on such terms. In the event that, within the respective prescribed period, the Representatives notify the Company that they have so arranged for the purchase of such Designated Securities, or the Company notifies the Representatives that it has so arranged for the Purchase of such Designated Securities, the representatives or the Company shall have the right to postpone the Time of Delivery for such Designated Securities for a period of not more than seven days, in order to effect whatever changes may thereby be made necessary in the Registration Statements or the Prospectus as amended or may thereby be made necessary in the Registration Statements or the Prospectus as amended or supplemented, or in any other documents or arrangements, and the Company agrees to file promptly any amendments or supplements to the Registration Statements or the Prospectus that in the opinion of the Representatives may thereby be made necessary. The term "Underwriter" as used in this Agreement shall include any person substituted under this Section 11 with like effect as if such person had originally been a party to the Pricing Agreement with respect to such Designated Securities.

(b) If, after giving effect to any arrangements for the purchase of the Designated Securities of a defaulting Underwriter or Underwriters by the Representatives and the Company as provided in Section 11(a), the aggregate principal amount of such Designated Securities that remains unpurchased does not exceed one-eleventh of the aggregate principal amount of the Designated Securities, then the Company shall have the right to require each non-defaulting Underwriter to purchase the principal amount of Designated Securities that such Underwriter agreed to purchase under the Pricing Agreement relating to such Designated Securities and, in addition, to require each non-defaulting Underwriter to purchase its pro rata share (based on the principal amount of Designated Securities that such Underwriter agreed to purchase under such Pricing Agreement) of the Designated Securities of such defaulting Underwriter or Underwriters for which such arrangements have not been made; but nothing herein shall relieve a defaulting Underwriter from liability for its default.

(c) If, after giving effect to any arrangements for the purchase of the Designated Securities or a defaulting Underwriter or Underwriters by the Representatives and the Company as provided in Section 11(a), the aggregate principal amount of Designated Securities that remains unpurchased exceeds one-eleventh of the aggregate principal amount of the Designated Securities, as referred to in Section 11(b), or if the Company shall not exercise the right described in Section 11(b) to require non-defaulting Underwriters to purchase Designated Securities of a defaulting Underwriter or underwriters then the Pricing Agreement relating to such Designated Securities shall thereupon terminate, without liability on the part of any non-defaulting Underwriter or the Company, except for the expenses to be borne by the Company and the Underwriters as provided in Section 8 hereof and the indemnity and contribution agreements in Section 10 hereof but nothing herein shall relieve a defaulting Underwriter from liability for its default.

18

12. The respective indemnities, agreements, representations, warranties and other statements of the Company and the Finance Subsidiaries and the several Underwriters, as set forth in this Agreement or made by or on behalf of them, pursuant to this Agreement, shall remain in full force and effect, regardless of any investigation (or any statement as to the results thereof) made by or on behalf of any Underwriter or any controlling person of any Underwriter, or the Company or the Finance Subsidiaries or any director or officer or controlling person of the Company or the Finance Subsidiaries, and shall survive delivery of and payment for the Securities.

13. If any Pricing Agreement shall be terminated pursuant to Section 11 hereof, the Company shall not then be under any liability to any Underwriter

with respect to the Designated Securities covered by such pricing Agreement except as provided in Section 8 and Section 10 hereof; but, if for any other reason Designated Securities are not delivered by or on behalf of the Company as provided herein, the Company will reimburse the Underwriters through the Representatives for all out-of-pocket expenses approved in writing by the Representatives, including fees and disbursements of counsel, reasonably incurred by the Underwriters in making preparations for the purchase, sale and delivery of such Designated Securities, but the Company shall then be under no further liability to any Underwriter with respect to such Designated Securities except as provided in Section 8 and Section 10 hereof.

14. In all dealings hereunder, the Representatives of the Underwriters of Designated Securities shall act on behalf of each of such Underwriters, and the parties hereto shall be entitled to act and rely upon any statement, request, notice or agreement on behalf of any Underwriter made or given by such Representatives jointly or by such of the Representatives, if any, as may be designated for such purpose in the Pricing Agreement.

15. All statements, requests, notices and agreements hereunder shall be in writing, and if to the Company or any Finance Subsidiaries, shall be delivered or sent by mail, telex or facsimile transmission (which shall be effective upon confirmation by telephone) to the address of the Company set forth in the Registration Statements, Attention: Chief Executive Officer, with a copy to the General Counsel of the Company; and, if to the Underwriters, shall be delivered or sent by mail, telex or facsimile transmission (which shall be effective upon confirmation by telephone) to the address or addresses of the Representative or Representatives, as the case may be, as set forth in the Pricing Agreement, provided, however, that any notice to an Underwriter pursuant to Section 8(c) hereof shall be delivered or sent by mail telex or facsimile transmission (which shall be effective upon confirmation by telephone) to such Underwriter at its address set forth in its Underwriters' Questionnaire, or telex constituting such Questionnaire, which address will be supplied to the Company by the Representative or Representatives upon request. Any such statements, requests, notices or agreements shall take effect upon receipt thereof.

16. This Agreement and each Pricing Agreement shall be binding upon, and inure solely to the benefit of, the Underwriters, the Company and, to the extent provided in Section 10 and Section 11 hereof, the directors and officers of the Company and the Finance Subsidiaries and each person who controls the Company or any Underwriter, and their respective heirs, executors, administrators, successors and assigns, and no other person shall acquire or have any right under or by virtue of this Agreement or any such Pricing Agreement. No purchaser of any

19

of the Securities from any Underwriter shall be deemed a successor or assign by reason merely of such purchase.

17. Time shall be of the essence of each Pricing Agreement. As used herein, "business day" shall mean any day when the Commission's office in Washington, D.C. is open for business.

18. THIS AGREEMENT AND EACH PRICING AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.

19. This Agreement and each Pricing Agreement may be executed by any one or more of the parties hereto and thereto in any number of counterparts, each of which shall be deemed to be an original, but all such respective counterparts shall together constitute one and the same instrument.

If the foregoing is in accordance with your understanding, please sign and return to us five counterparts hereof.

Such series of Securities has been established pursuant to, and is one of an indefinite number of series of debt securities of the Company, issued or issuable under and pursuant to, the Indenture, dated as of July 5, 2001 (the "Indenture"), duly executed and delivered by the Company, Wal-Mart Cayman (Euro) Finance Co., Wal-Mart Cayman (Canadian) Finance Co. and Wal-Mart Cayman (Sterling) Finance Co. as Issuers, the Company as Guarantor and Bank One Trust Company, NA, as Trustee (the "Trustee"), to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the rights, limitations of rights, obligations, duties and immunities thereunder of the Trustee, the Company and the holders of the Notes and of the terms upon which this Note is, and is to be, authenticated and delivered. The terms, conditions and provisions of the Notes are those stated in the Indenture, those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended (the "Trust Indenture Act"), and those set forth in this Note. To the extent that the terms, conditions and other provisions of this Note modify, supplement or are inconsistent with those of the Indenture, then the terms, conditions and other provisions of this Note shall govern.

All capitalized terms which are used but not defined in this Note shall have the meanings assigned to them in the Indenture.

The Company may, without the consent of the holders, issue and sell additional Securities ranking equally with the Notes and otherwise identical in all respects (except for their date of issue, issue price and the date from which interest payments thereon shall accrue) so that such additional Securities shall be consolidated and form a single series with the Notes; provided, however, that no additional Securities of any existing or new series may be issued under the Indenture if an Event of Default has occurred and remains uncured thereunder.

2. Ranking. The Notes shall constitute the senior unsecured debt obligations of the Company and shall rank equally in right of payment among themselves and with all other existing and future senior, unsecured and unsubordinated debt obligations of the Company.

3. Payment of Overdue Amounts. The Company shall pay interest, calculated on the basis of a 360-day year of twelve 30-day months, on overdue principal and overdue installments of interest, if any, from time to time on demand at the interest rate borne by the Notes to the extent lawful.

4. Payment of Additional Amounts; Redemption Upon a Tax Event.  
(a) Payment of Additional Amounts. The Company shall pay to the holder of this Note who is a United States Alien (as defined below) such additional amounts as may be necessary so that every net payment of principal of and interest on this Note to such holder, after deduction or withholding for or on account of any present or future tax, assessment or other governmental charge imposed upon such holder by the United States of America or any taxing authority thereof or therein, will not be less than the amount provided in the Notes to be then due and

3

payable (such amounts, the "Additional Amounts"); provided, however, that the Company shall not be required to make any payment of Additional Amounts for or on account of:

(i) any tax, assessment or other governmental charge that would not have been imposed but for (A) the existence of any present or former connection between such holder, or between a fiduciary, settlor, beneficiary of, member or shareholder of, or possessor of a power over, such holder, if such holder is an estate, trust, partnership or corporation, and the United States including, without limitation, such holder, or such fiduciary, settlor, beneficiary, member, shareholder or possessor, being or having been a citizen or resident of the United States of America or treated as a resident thereof or being or having been engaged in trade or business or present in the United States of America, or (B) the presentation of this Note for payment on a date more than 30 days after the later of (x) the date on which such payment becomes due and payable and (y) the date on which payment thereof is duly provided for;

(ii) any estate, inheritance, gift, sales, transfer, excise, personal property or similar tax, assessment or other governmental charge;

(iii) any tax, assessment or other governmental charge imposed by reason of such holder's past or present status as a passive foreign investment company, a controlled foreign corporation, a personal holding company or foreign personal holding company with respect to the United States of America, or as a corporation which accumulates earnings to avoid United States federal income tax;

(iv) any tax, assessment or other governmental charge which is payable otherwise than by withholding from payment of principal of or interest on this Note;

(v) any tax, assessment or other governmental charge required to be withheld by any paying agent from any payment of principal of or interest on this Note if such payment can be made without withholding by any other paying agent;

(vi) any tax, assessment or other governmental charge which would not have been imposed but for the failure to comply with certification, information, documentation or other reporting requirements concerning the nationality, residence, identity or connections with the United States of America of the holder or beneficial owner of this Note, if such compliance is required by statute or by regulation of the United States Treasury Department as a precondition to relief or exemption from such tax, assessment or other governmental charge;

(vii) any tax, assessment or other governmental charge imposed on interest received by (A) a 10% shareholder (as defined in Section 871(h)(3)(B) of the United States Internal Revenue Code of 1986, as amended (the "Code"), and the regulations that may be promulgated thereunder) of the Company or (B) a controlled foreign corporation with respect to the Company within the meaning of the Code; or

(viii) any combination of items (i), (ii), (iii), (iv), (v), (vi) and (vii) in this Section 4(a);

4

nor shall any Additional Amounts be paid to any holder who is a fiduciary or partnership or other than the sole beneficial owner of this Note to the extent that a beneficiary or settlor with respect to such fiduciary, or a member of such partnership or a beneficial owner thereof would not have been entitled to the payment of such Additional Amounts had such beneficiary, settlor, member or beneficial owner been the holder.

Prior to the publication of any notice of redemption pursuant to Section 15 hereof, the Company shall deliver to the Trustee (1) an Officers' Certificate stating that the Company is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the rights of the Company to so redeem have occurred and (2) an Opinion of Counsel to such effect based on such statement of facts.

(vi) that payment of the amounts due under clause (iv) above will be made upon presentation and surrender of the Notes; and

(vii) that, following the redemption of the Notes pursuant to this Section 4(b), interest shall cease to accrue thereon.

The notice of redemption regarding the Notes shall be, at the election of the Company, given by the Company or, at the Company's request, by the Trustee in the name and at the expense of the Company.

On or before the opening of business on any Tax Redemption Date, the Company shall deposit with the Trustee or with the Paying Agent or, if the Company is acting as its own paying agent, segregate and hold in trust as provided in Section 5.03 of the Indenture, an amount of money sufficient to pay the Redemption Price of, and except if the Tax Redemption Date shall be an Interest Payment Date, accrued but unpaid interest on, the Notes to be redeemed on the Tax Redemption Date.

The notice of redemption having been given as specified above, the Notes shall, on the Tax Redemption Date, become due and payable at the Redemption Price, and from and after such date, unless the Company shall default in the payment of the Redemption Price and accrued but unpaid interest, if any, the Notes shall cease to bear interest. Upon surrender of the Notes for redemption in accordance with such notice, the Notes shall be paid by the Company at the Redemption Price, together with accrued but unpaid interest, if any, to the Tax Redemption Date.

If the Notes, having been called for redemption, shall not be so paid upon surrender thereof for redemption, the Redemption Price shall, until paid, bear interest from the Tax Redemption Date at the interest rate borne by this Note.

8. Amendment and Modification. Article Nine of the Indenture contains provisions for the amendment or modification of the Indenture and the Notes without the consent of the holders in certain circumstances and requiring the consent of holders of not less than a majority in aggregate principal amount of the Notes and Securities of other series that would be affected in certain other circumstances. However, the Indenture requires the consent of each holder of the Notes and Securities of other series that would be affected for certain specified amendments or modifications of the Indenture and the Notes. These provisions of the Indenture, which provide for, among other things, the execution of supplemental indentures, are applicable to the Notes.

9. Default; Waiver. If an Event of Default with respect to the Notes shall occur and be continuing, then either the Trustee or the Holders of not less than 25% in aggregate principal amount of the Notes of this series then

Outstanding may declare the aggregate principal amount of the Notes of this series to be immediately due and payable in the manner, with the effect and subject to the conditions provided in the Indenture. The Indenture provides that in the event of such a declaration, the holders of a majority in aggregate principal amount of all of the Notes of this series then outstanding, voting as a separate class, in accordance with the provisions of, and in the circumstances provided by, the Indenture, may rescind and annul the declaration and its consequences and the related default and its consequences may be waived with respect to all of the Notes.

10. Absolute Obligation. No reference herein to the Indenture and no provisions of the Notes or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest on this Note at the place, at the time and in the coin or currency herein prescribed.

11. Form and Denominations; Global Notes; Definitive Notes. The Notes are being issued in registered form without coupons in denominations of \$1,000 and multiples of \$1,000. The Notes are being issued in the form of global notes (each, a "Global Note"), evidencing all or any portion of the Notes and registered in the name of DTC or its nominee (including their respective successors) as Depositary under the Indenture. The Notes shall be issued in certificated form (each, a "Definitive Note") only in the following limited circumstances: (1) the Depositary is at any time unwilling or unable to continue as Depositary or ceases to be a clearing agency registered under applicable law, and a successor depositary is not appointed by the Company within 90 days after the Company receives such notice or becomes aware of such ineligibility, (2) the Company delivers to the Trustee a Company Order to the effect that this Note shall be exchangeable for Definitive Notes or (3) an Event of Default has occurred and is continuing with respect to the Notes, in each such case this Note shall be exchangeable for Definitive Notes in an equal aggregate principal amount. Such Definitive Notes shall be registered in such name or names as the Depositary shall instruct the Trustee.

12. Registration, Transfer and Exchange. As provided in the Indenture and subject to certain limitations therein set forth, the Company shall provide for the registration of the Notes and the transfer and exchange of the Notes, whether in global or Definitive form. At the option of the holders, at any office or agency designated and maintained by the Company for such purpose (the "Transfer Agent") pursuant to the provisions of the Indenture, and in the manner and subject to the limitations provided in the Indenture, but without the payment of any service charge, except for any transfer tax or other governmental charges imposed in connection

7

therewith subject to Section 4 hereof, the Notes may be transferred or exchanged for an equal aggregate principal amount of the Notes of like tenor and of other authorized denominations upon surrender and cancellation of the Notes upon any such transfer.

The Company, the Trustee, and any agent of the Company or of the Trustee may deem and treat the holder as the absolute owner of this Note (whether or not the Notes shall be overdue and notwithstanding any notation of ownership or other writing hereon), for the purpose of receiving payments hereon, or on account hereof, and for all other purposes, and neither the Company nor the Trustee nor any agent of the Company or of the Trustee shall be affected by any notice to the contrary. All such payments made to or upon the order of such holder shall, to the extent of the amount or amounts paid, effectually satisfy and discharge liability for moneys payable on this Note.

Notwithstanding the preceding paragraphs of this Section 12, any registration of transfer or exchange of a Global Note shall be subject to the terms of the legend appearing on the initial page thereof.

13. No Recourse Against Others. No recourse under or upon any obligation, covenant or agreement of the Company arising under or set forth in the Notes or under the Indenture, or for any claim based thereon or otherwise in respect thereof, shall be had against any incorporator, stockholder, officer or director, as such, past, present or future, of the Company or of any successor corporation, either directly or through the Company or any successor corporation, whether by virtue of any constitution, statute or rule of law or by the enforcement of any assessment or penalty or otherwise, any and all such personal liability, either at common law or in equity or by constitution or statute, of, and any and all such rights and claims against, every such incorporator, stockholder, officer or director, as such, being, by the acceptance hereof and as part of the consideration for the issue hereof, expressly waived and released.

14. Appointment of Agents. Bank One Trust Company, NA is hereby appointed the Registrar for the purpose of registering the Notes and transfers and exchanges of the Notes pursuant to the Indenture and this Note, Paying Agent pursuant to Section 3.04 of the Indenture and Transfer Agent with respect to the Notes at its offices in the Borough of Manhattan, The City of New York.

15. Notices. If the Company is required to give notice to the holders of the Notes pursuant to the terms of the Indenture, then it shall do so by the means and in the manner set forth in Section 1.06 of the Indenture.

In addition, the Company shall give notices to the holders of the Notes by publication in a leading daily newspaper in The City of New York and in London. Initially, such publication shall be made in The City of New York in The Wall Street Journal and in London in the Financial Times. Any such notice shall be deemed to have been given on the date of publication or, if published more than once, on the date of the first publication.

16. Separability. In case any provision of the Indenture or the Notes shall, for any reason, be held to be invalid, illegal or unenforceable, then the validity, legality and

enforceability of the remaining provisions thereof and hereof shall not in any way be affected or impaired thereby.

17. GOVERNING LAW. THE NOTES SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

We have acted as special counsel to the Company in connection with its issue and sale of the Notes. In rendering this opinion, we have examined and relied upon, without investigation or independent verification, executed originals, counterparts or copies of the Restated Certificate of Incorporation and by-laws of the Company, each as amended and restated to date, the Articles of Association and Articles of Memorandum of each Finance Subsidiary, the Indenture, resolutions of the Executive Committee of the Board of Directors of the Company and such other documents, records and certificates as we considered necessary or appropriate to enable us to express the opinions set forth herein. In all such examinations, we have assumed the authenticity and completeness of all documents submitted to us as originals and the conformity to authentic and complete originals of all documents submitted to us as photostatic, conformed, notarized or certified copies.
