WAL-MART STORES, INC.

SHAREHOLDER INVESTMENT PROGRAM

Wal-Mart Stores, Inc. ("Wal-Mart" or the "Company") hereby offers participation in its Shareholder Investment Program (the "Program"). The Program is designed to provide shareholders of record and other investors who choose to become shareholders of record with a convenient and economical way to purchase shares of Wal-Mart's Common Stock, par value \$.10 per share ("Common Stock"), and to reinvest at no cost all or a portion of their cash dividends in additional shares of Common Stock. Other key features of the Program include the following:

- . Persons who are not shareholders may enroll either by investing as little as \$250 or by authorizing automatic monthly withdrawals ("Automatic Investments") of at least \$25.
- . Shareholders of record who hold 200 shares or less of Common Stock will be automatically enrolled in the Program and will have all cash dividends reinvested in additional shares of Common Stock unless such shareholders affirmatively elect to receive cash dividends. Shareholders who elect to receive cash dividends will receive such dividends, as declared, in the usual manner.
- . Shareholders of record who hold more than 200 shares of Common Stock may enroll by electing to reinvest all or a portion of their cash dividends in additional shares of Common Stock and/or by making an optional cash investment of \$50 or more and/or by authorizing monthly Automatic Investments of \$25.
- . Once enrolled, a participant may make optional investments of \$50 or more, up to a maximum of \$150,000 per year, through the Program.
- . Participants may buy shares in whole dollar amounts rather than a specified quantity of shares. A participant's account is credited with the appropriate number of full and fractional shares.
- . All sale orders are processed daily and purchase orders are processed daily when practicable or at least once every five business days.
- . Transaction fees are lower than the commissions and fees typically charged by a stockbroker.
- . Participants can make additional purchases periodically. The investment amount can be automatically deducted from a participant's bank account or it can be submitted by mail.
- . Participants can deposit their stock certificates for safekeeping at no cost. A participant may request a certificate for whole shares at any time, also at no cost.
- . Participants can transfer shares or make gifts of Common Stock at no charge.

WAL-MART STORES, INC. SHAREHOLDER INVESTMENT PROGRAM

The following is a complete statement of the Program.

PURPOSE

The purpose of the Program is to provide shareholders of record and other investors who choose to become shareholders of record with a convenient and economical way to purchase shares of Common Stock and to reinvest at no cost all or a portion of their cash dividends in additional shares of Common Stock.

ADVANTAGES TO PARTICIPANTS

- . In addition to reinvestment of dividends, participants may invest additional funds in Common Stock through optional cash payments of up to \$150,000 per year. Optional investments may be made by check, money order or by electronic funds transfer from a predesignated bank account. Optional investments may be made occasionally or at regular intervals, as the participant desires.
- . Funds invested in the Program, less applicable fees and commissions, are fully invested through the purchase of fractions of shares, as well as full shares, and proportionate cash dividends on fractions of shares are used to purchase additional shares.

- . Persons not presently owning shares of Common Stock may become participants by making a minimum initial investment of \$250 to purchase shares under the Program or by authorizing monthly Automatic Investments of at least \$25.
- . Participants may direct the Administrator (as defined below) to transfer, at any time and at no cost to the participant, all or a portion of the participant's shares held under the Program to a Program account for another person.
- . The Program offers a "share safekeeping" service whereby participants may deposit their Common Stock certificates with the Program's Administrator and have their ownership of such Common Stock maintained on the Administrator's records as part of their Program account.
- . Statements are mailed to each participant listing all transactions in the participant's account.

DISADVANTAGES TO PARTICIPANTS

Since shares of Common Stock are purchased by the Administrator or its representative on specified dates and are sold on dates determined by the Administrator or its representative when the Administrator processes a request for sale, participants have no control over the prices at which shares of Common Stock are purchased or sold for their accounts. Therefore, participants bear the risk of fluctuations in the market price of the Common Stock. See "Investment Dates," "Withdrawal and Termination," and "Sale of Shares." Furthermore, each participant will be assessed administrative fees and brokerage commissions on purchases (other than dividend reinvestments) and sales of shares for his or her account, although such fees and commissions are lower than those typically charged by a stockbroker. See "Service Fees."

NO INTEREST WILL BE PAID ON FUNDS HELD BY THE ADMINISTRATOR PENDING INVESTMENT IN THE PROGRAM.

3

ELIGIBILITY

Any person or entity, whether or not a holder of record of shares of Common Stock, is eligible to participate in the Program, provided that (i) such person or entity chooses to be a shareholder of record, (ii) fulfills the prerequisites for participation described below under "Enrollment Procedures," and (iii) in the case of citizens or residents of a country other than the United States, its territories, and possessions, participation would not violate local laws applicable to the Company or the participant.

ENROLLMENT PROCEDURES

Shareholders

Shareholders who hold 200 shares or less of Common Stock registered directly in their name will be automatically enrolled in the Program and will have all cash dividends reinvested in additional shares of Common Stock and will have no right to have any portion of such dividends paid in cash. Provided, however, such shareholders may elect to receive only cash dividends in lieu of having all dividends automatically reinvested under the Program. Accordingly, any such shareholder who desires to receive only cash dividends should immediately forward to the Administrator, a completed and signed Special Request Form or Enrollment Authorization Form, as the case may be, with the election made to receive only cash dividends. By so doing a participant will not have any dividends automatically reinvested in additional shares of Common Stock. Furthermore, participants holding 200 shares or less of Common Stock will receive annual statements providing detail of each quarterly dividend reinvestment as well as any other transactions during the year. Once a shareholder becomes automatically enrolled in the Program, such shareholder may elect at any time to receive only cash dividends by submitting a new Enrollment Authorization Form to the Administrator. Shareholders who elect to receive cash dividends will receive such dividends, as declared, in the usual manner.

4

Shareholders who hold more than 200 shares of Common Stock registered directly in their name may join the Program by completing and signing an Enrollment Authorization Form and returning it to the Administrator. In order to participate in the Program, such shareholder must (i) elect to reinvest all or a portion of their cash dividends in additional shares of Common Stock, (ii) make an optional cash investment of \$50 or more, or (iii) authorize Automatic Investments of \$25 per month. See "Initial Investments and Optional Cash Investments" and "Investment Methods - Automatic Investment." Current registered shareholders should be sure to sign their names on the Enrollment Authorization Form exactly as they appear on their certificates.

Non-shareholders

Eligible investors may join the Program by returning a completed Initial Investment Form to the Administrator. To enroll, investors must make an initial investment of at least \$250 or authorize Automatic Investments of at least \$25 per month. See "Initial Investments and Optional Cash Investments" and "Investment Methods--Automatic Investment."

"Street Name" Holders

Owners of shares of Common Stock held on their behalf by a bank, broker, trustee or other agent may join the Program by registering one or more shares of Common Stock directly in their names and by returning a completed Enrollment Authorization Form to the Administrator. See "Transfer of Shares from Street Name." Once the shares of Common Stock are registered directly in the name of the owner, the owner may participate in the Program by following the guidelines described above under the subsection "Shareholders."

Enrollment Authorization and Initial Investment Forms will be processed as promptly as practicable. Participation in the Program will begin after the properly completed form has been reviewed and accepted by the Administrator.

PARTICIPANTS MAY BE REQUIRED TO PAY CERTAIN FEES IN CONNECTION WITH THE PROGRAM. SEE "SERVICE FEES."

TRANSFER OF SHARES FROM STREET NAME

Beneficial owners whose shares are registered in the name of a bank, a broker, a trustee or other agent may participate in the Program with respect to such shares by either (i) transferring such shares to a Program account by directing their agent (e.g., their bank, broker or trustee) to register the shares directly in their name and having the agent deliver a certificate to them or (ii) instructing their agent to transfer the shares to the Administrator to be deposited into the Program for "share safekeeping" for credit to the participant's account. See "Share Safekeeping and Insured Certificate Mailings."

INVESTMENT DATES

The Program's "Investment Dates" generally will commence on (i) the cash dividend payment date, (ii) a daily basis as investments are received by the Administrator or (iii) in any event, a date not later than five business days after such investment is received by the Administrator. Should an Investment Date fall on a date where the New York Stock Exchange is not open, the Investment Date will be on the next succeeding date on which the New York Stock Exchange is open.

INITIAL INVESTMENTS AND OPTIONAL CASH INVESTMENTS

Initial investments, for those who are not shareholders of record, must be

at least \$250, in the form of a personal check or money order, or Automatic Investment of at least \$25, and must be included with the completed Initial Investment Form returned to the Administrator.

5

Participants may make optional cash investments by personal check or automatic deduction from a bank account. Optional cash investments must be at least \$50 if by check, \$25 if by automatic deduction from a bank account, for any single investment and may not exceed \$150,000 per year. There is no obligation to make an optional cash investment at any time, and the amount of such investments may vary from time to time.

Initial investments and optional cash investments received by the Administrator will generally be invested on a daily basis as such investments are received by the Administrator. In any event, such investments will be invested not later than five business days after they are received by the Administrator. Upon a participant's written request received by the Administrator no later than two business days prior to the next Investment Date, an initial investment or optional cash investment not already invested under the Program will be canceled or returned to the participant, as appropriate. However, no refund of a check or money order will be made until the funds have been actually received by the Administrator. Accordingly, such refunds may be delayed by up to three weeks. All initial investments and optional cash investments are subject to collection by the Administrator for full face value in U.S. funds.

NO INTEREST WILL BE PAID ON AMOUNTS HELD BY THE ADMINISTRATOR PENDING INVESTMENT.

INVESTMENT METHODS

Check Investment

Initial investments and optional cash investments may be made by personal check or money order payable in U.S. dollars to "FCT-Wal-Mart." Optional cash investments should be mailed to the Administrator together with the Cash Investment Form attached to each statement of account sent to participants. Additional Cash Investment Forms are available upon request from the Administrator.

Automatic Investment

Participants may make monthly Automatic Investments of a specified amount (not less than \$25 per purchase nor more than \$150,000 per year) by electronic funds transfer from a predesignated U.S. bank account.

To initiate automatic monthly deductions, the participant must complete and sign an Automatic Monthly Deduction Form and return it to the Administrator together with a voided blank check or a savings deposit slip for the account from which funds are to be drawn. Automatic Monthly Deduction Forms may be obtained from the Administrator. Forms will be processed and will become effective as promptly as practicable.

Once automatic monthly deduction is initiated, funds will be drawn from the participant's designated bank account on either the first or the 15th day of each month, or both (as chosen by the participant), or the next business day if either the first or the 15th day is not a business day and will be invested in Common Stock beginning on the next Investment Date.

Participants may change or terminate monthly Automatic Investments by completing and submitting to the Administrator a new Automatic Monthly Deduction Form. To be effective with respect to a particular Investment Date, however, the new Automatic Monthly Deduction Form must be received by the Administrator at least six business days preceding such Investment Date.

DIVIDEND OPTIONS

Reinvestment of Cash Dividends

Participants who hold 200 shares or less of Common Stock will have all cash dividends reinvested in additional shares of Common Stock and will have no right to have any portion of such dividends paid in cash unless they affirmatively elect to receive cash dividends. Participants who hold more than 200 shares of Common Stock may

6

elect to reinvest all or a portion of their cash dividends in additional shares of Common Stock by designating their election on the Enrollment Authorization Form. Participants electing partial reinvestment of cash dividends must designate the number of whole shares for which they want to receive cash dividends. Dividends paid on all other shares registered in the participant's

name and/or held for the participant under the Program will be reinvested in additional shares of Common Stock.

Reinvestment levels for shareholders with more than 200 shares may be changed from time to time as a participant desires by submitting a new Enrollment Authorization Form to the Administrator. To be effective with respect to a particular Common Stock dividend, any such change must be received by the Administrator on or before the record date for such dividend. The record date is usually about two weeks prior to the payment of the dividend.

Once a participant elects reinvestment, cash dividends paid on all or part of the shares of Common Stock registered in the participant's name and/or held for the participant under the Program will be reinvested in additional shares of Common Stock. If an eligible participant has specified partial reinvestment, that portion of such dividend payment not being reinvested will be sent to the participant by check in the usual manner.

Cash Dividends

Participants with more than 200 shares may elect to receive all or part of their dividends in cash. A check for the full or partial dividend amount, as appropriate, will be issued. Elections to receive dividends in cash may be changed from time to time as a participant desires by submitting a new Enrollment Authorization Form to the Administrator.

PARTICIPANTS MAY BE REQUIRED TO PAY CERTAIN FEES IN CONNECTION WITH THE PURCHASE OF SHARES OF COMMON STOCK UNDER THE PROGRAM. SEE "SERVICE FEES."

WITHDRAWAL AND TERMINATION

A participant may withdraw from the Program at any time by giving written or telephonic instructions to the Administrator. However, if the request for withdrawal is received on or after a Record Date, the Administrator, in its sole discretion, may either pay the dividend in cash or reinvest it in shares of Common Stock under the Program. If such dividend is reinvested, the Administrator may sell shares purchased and remit the proceeds to the participant, less brokerage commissions, any administrative fee and any other costs of the sale.

Any optional cash investments which had been sent to the Administrator will be invested unless the return of the amount is expressly requested in the request for withdrawal and the request is received by the Administrator at least two business days prior to the Investment Date applicable to that optional cash purchase.

Upon withdrawal from the Program, a certificate for the whole shares held in the Program for the participant will be issued. Alternatively, a participant may specify in the withdrawal notice that all or a portion of his or her whole shares be sold. The Administrator will make the sale as promptly as practicable after receipt of the withdrawal notice, and the participant will receive a check for the proceeds, less an administrative fee and related brokerage commissions.

Participants terminating participation in the Program will receive a check for the cash value of any fractional share held in their Program accounts. Fractions of shares will be valued at the then current market price, less any administrative fee and related brokerage commissions.

If notice of withdrawal is received on or after an ex-dividend date but before the related dividend payment date, the withdrawal will be processed as described above, and a check for the dividend will be mailed to the participant.

7

No optional cash investments may be made after participation in the Program has been terminated, unless and until the former participant rejoins the Program which may be accomplished by complying with the enrollment procedures. See "Enrollment Procedures."

SALE OF SHARES

Participants may request the Administrator to sell any number of whole shares held in their Program accounts by giving written or telephonic instructions acceptable to the Administrator. The Administrator will make every effort to process an order on the day it is received, provided that instructions are received before 1 p.m. Eastern time, on a business day when the Administrator and the relevant securities market are open. The proceeds of the sale, less applicable fees and commission, will be sent to the participant promptly.

Participants have full control of their shares and can transfer or dispose of them at any time. Participants may choose to sell shares held for them by the Administrator through the broker of their choice. Participants choosing to do so should write or call the Administrator. A certificate will be issued and

mailed to the participant or the participant's broker within two business days of the Administrator's receipt of the request.

If instructions for the sale of all shares are received on or after an ex-dividend date but before the related dividend payment date, the sale will be processed as described above, and a check for the dividends will be mailed to the participant. A request to sell all shares held in a participant's account will be treated as a withdrawal from the Program. See "Withdrawal and Termination."

SOURCE AND PRICE OF SHARES

At Wal-Mart's discretion, to fulfill Program requirements, shares of Common Stock will be purchased by the Administrator either on the open market or directly from Wal-Mart. Shares purchased by the Administrator on the open market may be made on any stock exchange in the U.S. where the Common Stock is traded, in the over-the-counter market, or by privately negotiated transactions on such terms as the Administrator may reasonably determine at the time of purchase. The price of shares purchased on the open market with reinvested dividends will be the weighted average price of all shares purchased with reinvested dividends for the relevant Investment Date. The price of shares purchased on the open market with initial investments, optional cash investments and monthly Automatic Investments will be the weighted average price (including brokerage commissions and any other costs of purchase) of all shares purchased with initial investments, optional cash investments and monthly Automatic Investments for the relevant Investment Date. The Administrator may also purchase shares from or sell shares to Wal-Mart, to the extent Wal-Mart makes shares available either through original issuances or shares held in treasury, or is willing to purchase shares. The price of shares purchased from or sold to Wal-Mart will be the average of the high and low sale prices of the Common Stock as reported on the New York Stock Exchange consolidated tape on the relevant Investment Date. The Administrator may commingle each participant's funds with those of other participants for the purpose of executing purchases.

Shares purchased or sold for a participant with respect to a particular Investment Date will be credited to the participant's account at the average price per share of all shares purchased or sold, as appropriate, with respect to that Investment Date.

The Administrator will make every effort to invest funds in Common Stock as soon as practicable on or after each Investment Date. Shares acquired in the open market or from private sources will be purchased as soon as practicable by the Administrator beginning on the relevant Investment Date and in any unforeseen circumstances, not later than 30 days after the relevant Investment Date, except where and to the extent necessary under any applicable federal securities laws or other government or stock exchange regulations. See "Investment Dates." Shares acquired from Wal-Mart will be purchased for participants' accounts as of the close of business on the relevant Investment Date. Dividend and voting rights will commence upon settlement, which is normally three business days after

8

purchase whether from Wal-Mart or any other source. Neither the Company nor any participant shall have any authority or power to direct the time or price at which shares may be purchased, or the selection of the broker or dealer through or from whom purchases are to be made.

SHARE SAFEKEEPING AND INSURED CERTIFICATE MAILINGS

At the time of enrollment in the Program, or at any later time, participants may use the Program's "share safekeeping" service to deposit any Common Stock certificates in their possession with the Administrator. Shares deposited will be transferred into the name of the Administrator or its nominee and credited to the participant's account under the Program. Thereafter, such shares will be treated in the same manner as shares purchased through the Program. By using the Program's share safekeeping service, participants no longer bear the risk associated with loss, theft or destruction of stock certificates. Also, because shares deposited with the Administrator are treated in the same manner as shares purchased through the Program, they may be transferred or sold through the Program in a convenient and efficient manner. See "Withdrawal and Termination," "Sale of Shares" and "Gift/Transfer of Shares."

To insure against loss resulting from mailing participants' certificates to the Administrator, mail insurance is provided free of charge for certificates valued at up to \$25,000 when mailed first class, using the brown, pre-addressed envelope provided by the Administrator. Certificates sent to the Administrator should not be endorsed.

To be eligible for certificate mailing insurance, an individual investor must observe the following guidelines. Certificates must be mailed in brown, pre-addressed return envelopes supplied by the Administrator. Certificates

mailed to the Administrator will be insured for up to \$25,000 current market value provided they are mailed first class. The Administrator will promptly send the participant a statement confirming each deposit of certificates. Individual investors must notify the Administrator of any claim within thirty calendar days of the date the certificates were mailed. To submit a claim, an individual investor must be a current participant or the individual investor's loss must be incurred in connection with becoming a participant.

In the latter case, the claimant must enroll in the Program at the time the insurance claim is processed. The maximum insurance protection provided to the participant is \$25,000 and coverage is available only when the certificate(s) are sent to the Administrator in accordance with the guidelines described above.

Insurance covers the replacement of shares of Common Stock, but in no way protects against any loss resulting from fluctuations in the value of such shares from the time the individual mails the certificates until such time as replacement can be effected.

GIFT/TRANSFER OF SHARES

Shareholders may transfer the ownership of some or all of their Program shares or shares held in safekeeping by sending the Administrator written, signed transfer instructions. Signatures must be Medallion Guaranteed by a financial institution participating in the Medallion Guarantee Program. A Medallion Signature Guarantee is a signature guarantee by an institution such as a commercial bank, trust company, securities broker/dealer, credit union, or a savings institution participating in a Medallion Program approved by The Securities Transfer Association, Inc. No other form of signature verification can be accepted. Shares may be transferred to new or existing shareholders.

SERVICE FEES

Each participant will be assessed an administrative fee and brokerage commissions on purchases (other than dividend reinvestments) and sales of shares for his or her account. The current administrative fees and brokerage commissions are as follows:

TRANSACTION	ADMINISTRATIVE FEE AND BROKERAGE COMMISSION PER TRANSACTION
Initial Cash Investment Share Purchase	\$20.00, plus \$0.10 per share
Electronic Funds Transfer	\$ 1.00, plus \$0.10 per share
Sale of Shares	\$20.00, plus \$0.10 per share
Dividend Reinvestment	No fees or commissions

Fees for optional cash investments are as follows per transaction:

\$151-\$200	\$2	\$3.00, plus \$0.10 per share
\$201-\$250	\$1	\$4.00, plus \$0.10 per share
\$251 or more	\$0	\$5.00, plus \$0.10 per share

The administrative fees and the brokerage commissions are subject to change without further notice to participants. Each transaction will be processed net of the transaction costs applicable to that transaction. Per share charges listed above are for each whole or fractional share.

REPORTS TO PARTICIPANTS

Participants holding more than 200 shares of Common Stock who reinvest all or a portion of their dividends will receive a quarterly statement of year-to-date activity showing the amount invested, purchase price, the number of shares purchased, deposited, sold, transferred, withdrawn, total shares accumulated and other information for each quarter during the year. Participants holding 200 shares or less of Common Stock will receive annual statements providing detail of each quarterly dividend reinvestment as well as any other transactions during the year. Any participant may receive account information at any time during the year upon request from the Administrator. Each participant should retain these statements so as to be able to establish the cost basis of shares purchased under the Program for income tax and other purposes. Duplicate

statements will be available from the Administrator for an additional charge.

The Administrator will also send each participant a confirmation promptly after each optional cash investment, deposit, sale or transfer.

10

In addition, each participant will receive copies of the same communications sent to all other holders of shares of Common Stock, including Wal-Mart's annual report to shareholders, a notice of the annual meeting and accompanying proxy statement and Internal Revenue Service ("IRS") information return, if so required, for reporting dividend income received.

All notices, statements and reports from the Administrator to a participant will be addressed to the participant at his or her latest address of record with the Administrator. Therefore, participants must promptly notify the Administrator of any change of address.

CERTIFICATES FOR SHARES

Shares purchased and held under the Program will be held in safekeeping by the Administrator in its name or the name of its nominee. The number of shares (including fractional interests) held for each participant will be shown on each statement of account. Participants may obtain a certificate for all or some of the whole shares of Common Stock held in their Program accounts upon written or telephonic request to the Administrator. Any remaining whole or fractional shares will continue to be held by the Administrator. Withdrawal of shares in the form of a certificate in no way affects dividend reinvestment. See "Investment Methods--Reinvestment of Cash Dividends."

STOCK SPLIT, STOCK DIVIDEND OR RIGHTS OFFERING

Any dividends in Common Stock or split shares distributed by the Company on shares held by a participant or by the Administrator for a participant's Program account will be added to the participant's account. If a participant has elected to receive cash dividends on a portion of his or her shares, the election will be adjusted proportionately in the event of a stock split.

In the event of a rights offering, the participant will receive rights based upon the total number of whole shares owned, that is, the total number of shares registered in the participant's name and the total number of whole shares held in the participant's Program account.

VOTING OF PROGRAM SHARES

Whole shares held in a Program account may be voted in person or by the proxy sent to the participant. Fractions of shares will not be voted.

LIMITATION OF LIABILITY

Neither the Company nor the Administrator (nor any of their respective agents, representatives, employees, officers, directors, or subcontractors) will be liable in administering the Program for any act done in good faith nor for any good faith omission to act, including, without limitation, any claim of liability arising from failure to terminate a participant's account upon such a participant's death or with respect to the prices or times at which shares are purchased or sold for participants or fluctuations in the market value of Common Stock. The participant should recognize that the prices of shares purchased and sold under the Program will be determined by, and subject to, market conditions, and neither the Company nor the Administrator can provide any assurance of a profit or protection against loss on any shares purchased or sold under the Program. This limitation of liability will not constitute a waiver by any participant of his or her rights under federal securities laws.

CHANGE OR TERMINATION OF THE PROGRAM

The Company may suspend, modify or terminate the Program at any time in whole, in part, or in respect of participants in one or more jurisdictions. Notice of such suspension, modification or termination will be sent to

11

all affected participants. No such event will affect any shares then credited to a participant's account. Upon any whole or partial termination of the Program by the Company, certificates for whole shares credited to an affected participant's account under the Program will be issued to the participant, and a cash payment will be made for any fraction of a share. Fractions of shares will be valued at the then current market price, less any administrative fee and related brokerage commissions.

TERMINATION OF A PARTICIPANT

If a participant does not own at least one whole share registered in the participant's name or held through the Program, the participant's participation in the Program may be terminated. Wal-Mart may also terminate any participant's participation in the Program upon written notice mailed to such participant at the address appearing on the Administrator's records. Participants whose participation in the Program has been terminated will receive certificates for whole shares held in their accounts and a check for the cash value of any fractional share held in their Program accounts. Fractions of shares will be valued at the then current market price, less any administrative fee and related brokerage commissions.

TAX CONSEQUENCES

The Company believes the following is an accurate summary of the federal income tax consequences of participation in the Program as of the date of this Prospectus. This summary may not reflect every possible situation that could result from participation in the Program, and, therefore, participants in the Program are advised to consult their own tax advisors with respect to the tax consequences (including federal, state, local and other tax laws and U.S. tax withholding laws) applicable to their particular situations.

In general, the amount of cash dividends paid by the Company will be includable in a participant's income even though reinvested under the Program. In the case of participants in the Program whose dividends are subject to U.S. backup withholding, the Administrator will reinvest dividends less the amount of tax required to be withheld. In the case of foreign shareholders whose dividends are subject to U.S. federal tax withholding, the Administrator will reinvest dividends less the amount of tax required to be withheld. Each participant will receive a Form 1099-DIV which reflects the amount of dividends includable in income.

In the case of reinvested dividends, when the Administrator acquires shares for a participant's account directly from the Company, the participant must include in gross income a dividend measured by the fair market value

12

of the shares so acquired. Alternatively, when the Administrator purchases Common Stock for a participant's account on the open market with reinvested dividends, the amount of the dividend will also include that portion of any brokerage commissions paid by the Company that are attributable to the purchase of the participant's shares.

The cost basis for federal income tax purposes of any shares acquired through the Program will be the purchase price for the shares credited by the Administrator to the account of the participant as described in the section entitled "Source and Price of Shares" plus the amount of any brokerage commissions paid by the Company in respect of such purchase. The quarterly and annual statements sent to participants will show such amounts paid on their behalf.

The above rules may not be applicable to certain participants in the Program, such as tax-exempt entities (e.g., pension funds) and foreign shareholders. These particular participants should consult their own tax

advisors concerning the tax consequences applicable to their situations.

USE OF PROCEEDS

Wal-Mart will receive proceeds from the purchase of Common Stock pursuant to the Program only to the extent that such purchases are made directly from Wal-Mart, and not from open market purchases by the Administrator. If purchases of Common Stock are made directly from Wal-Mart, Wal-Mart intends to use any net proceeds from the sales of such shares for general corporate purposes.

Certain legal matters with respect to the validity of the shares of Common Stock offered hereby will be passed upon for Wal-Mart by Conner & Winters, A Professional Corporation, Tulsa, Oklahoma. As of the date of this Prospectus, certain members and other lawyers in the firm of Conner & Winters, A Professional Corporation, and members of their immediate families beneficially own, in the aggregate, approximately 91,783 shares of Common Stock.
