The Selling Stockholders may offer Shares from time to time depending on market conditions and other factors, in one or more transactions on the NYSE or other national securities exchanges on which the Shares are traded, in the over-the-counter market or otherwise, at market prices prevailing at the time of sale, at negotiated prices, or at fixed prices. The Shares may be offered in any manner permitted by law, including through underwriters, brokers, dealers or agents, and directly to one or more purchasers. Sales of Shares may involve (i) sales to underwriters who will acquire Shares for their own account and resell them in one or more transactions at fixed prices or at varying prices determined at time of sale, (ii) block transactions in which the broker or dealer so engaged will attempt to sell the Shares as agent but may position and resell a portion of the block as principal to facilitate the transaction, (iii) purchases by a broker or dealer as principal and resale by such broker or dealer for its account, (iv) an exchange distribution in accordance with the rules of any such exchange, and (v) ordinary brokerage transactions and transactions in which a broker solicits purchasers. Brokers and dealers may receive compensation in the form of underwriting discounts, concessions or commissions from the Selling Stockholders and/or purchasers of Shares for whom they may act as agent (which compensation may be in excess of customary commissions). The Selling Stockholders and any broker or dealer that participates in the distribution of Shares may be deemed to be underwriters and any commissions received by them and any profit on the resale of Shares positioned by a broker or dealer may be deemed to be underwriting discounts and commissions under the Securities Act. In the event any Selling Stockholder engages an underwriter in connection with the sale of the Shares, to the extent required, a Prospectus Supplement will be distributed, which will set forth the number of Shares being offered and the terms of the offering, including the names of the underwriters, any discounts, commissions and
